

## 584596003 - SENSARMOUR (XS) FUEL SENSOR PROTECTION

### Double Up on Protection Against Fuel Theft!

SENSARMOUR is dedicated to protecting access through the hole where the fuel sensor is located in the tanks of industrial vehicles. It is designed to be assembled quickly and without the need for additional equipment or machining - it is simply held in place by the tank retention straps.

CODE	DESCRIPTION
584596003	SENSARMOUR (XS) FUEL SENSOR PROTECTION

### TECHNICAL DATA

Main Body Material	Aluminium
Weight	1250 g
Package type	Carton Box
Package contents	1 pc in carton box
